Ph.D. 2nd year Sequence Authorization Form

- Students are required to take a minimum of 40 units in the second year.
- Two sequences are required (a sequence is defined as at least two courses in a clearly defined subfield of economics).
- In the winter and spring quarters, students begin work on the second year field paper, due on or before August 31, by enrolling in 5 units of independent study each quarter.
- Other requirements include submitting the Econometrics paper by the end of the fall quarter.

**You will be required to declare a field/s at the beginning of the third year (International, Development, Micro, Macro or others as offered).
