Ph.D. 2nd year Sequence Authorization Form

- Students are required to take a minimum of 30 units in the second year.
- Two sequences are required (a sequence is defined as at least two courses in a clearly defined subfield of economics).
- Students begin work on the second-year field paper, due on or before August 31.

**You will be required to declare a field/s at the beginning of the third year (International, Development, Micro, Macro or others as offered).

Student:
(please circle at least two fields)
